

ISEE Ethics & Philosophy Committee

- Our mission is to to strengthen and promote ethics and philosophy in environmental epidemiology
- We come to the aid of colleagues who have been attacked for demonstrating epidemiological associations that were problematic for powerful stakeholders
- We developed the policy on Greening the ISEE (published in July 2021 issue of *Epidemiology*)
- We plan to survey ISEE members about the ethical and philosophical stressors they face

CHAIR

Ruth Etzel

VICE-CHAIRS

Jutta Lindert

Atanu Sarkar

We welcome new members

Please feel free to ask questions in the chatbox. We are monitoring the chat and will answer as soon as we can
