

ISEE Policy Committee

- We prepare and disseminate policy statements & briefings, currently:
 - Air Pollution - joint statement on WHO Guidelines + media training ahead of Guideline publication
 - Evidence synthesis - paper on principles + ISEE symposium
 - Academic, scientific controversy and consensus building - statement + ISEE panel discussion
 - Climate Change: statement ahead of COP26
- We have representatives to the World Health Assembly and INEP
- We held an open meeting March 2021 to discuss the role of advocacy at ISEE

THE COMMITTEE

Please feel free to ask questions in the chatbox. We are monitoring the chat and will answer as soon as we can
