

ISEE Asia and Western Pacific Chapter

- Our chapter has existed since 2004 and promotes communication among Asian and Western Pacific ISEE members, organizes activities focusing on local interests, and facilitates capacity building for environmental epidemiology in Asian and Western Pacific countries
- We host webinars (posted on ISEE Global's Youtube) and more are planned.
- We conducted a short survey to understand the needs, and keep maintaining communication with members, with the APWC website, and SNS.
- We will host the **ISEE AWPC Conference in June 20-21, 2022 in Singapore (Virtual)**, jointly with ISES-AC.
