

ISEE North America Chapter

- Mission: promote and strengthen scientific research in environmental epidemiology, with a focus on the U.S., Canada, Bermuda, and Greenland
- We host (bi-)monthly webinars (posted on ISEE Global's Youtube Channel) and more are planned
- We initiated the Policy Committee to sign letters and submit comments
- We launched a Mentoring Program and are working to increase ISEE NAC diversity and enhance between-institution mentoring
- Established an Environmental Justice Paper Award
- ISEE2021 NAC members' meeting: August 24 at 1PM ET. Don't miss!
