

- IJERPH is an international open access journal published by MDPI. In March 2021, IJERPH became an affiliate journal of ISEE.
- We publish work in the fields of Environmental Sciences and Engineering, Public Health, Environmental Health, Occupational Hygiene, Health Economics, Global Health, and others. Many ISEE members serve as Editors and special issue leads.
- We offer a range of benefits to ISEE members, including:
 - A 15% discount on article processing (APC) charges
 - Ten APC waivers per year
 - Free publication of up to four commentaries per year
 - Annual conference travel awards
 - Fee waivers for two special issues headed by ISEE members
